# The Polish Investment and Trade Agency

The Polish Investment and Trade Agency (PAIH) is a leader in export and investment consultancy, operating on dozens of markets around the world. As the first contact point it is a partner for entrepreneurs on the domestic and foreign markets.

PAIH is a modern institution which belongs to the Polish Development Fund Group (PFR).

## How we can help...

PAIH's mission is to increase the inflow of foreign direct investments to Poland, as well as supporting the internationalization of Polish companies. We operate both in Poland and through our Foreign Trade Offices (ZBH) abroad.

We are committed to promoting Poland and the Polish economy. We aim to increase the awareness of Polish brands on international markets. We promote national products and services, as well as Polish innovative information technology.

## ...build competitive advantages?

We offer comprehensive services for entrepreneurs, combining industry competences with international experience.

We help entrepreneurs select their optimal foreign expansion path, overcoming administrative procedures for specific projects, the development of legal solutions, finding a suitable location as well as reliable partners and suppliers.
